A note from the Pastor:

September is a great time to think, "Let's go back to church!" It's the month when summer officially ends, vacations tend to wind down, and daily life takes on a different routine. For you and your family, weekly worship at St. Luke's can easily become part of your September routine. If you like in-person worship, each Sunday's service is a dynamic, sincere expression of God's grace and love. Another option is St. Luke's online service on YouTube, a recording of our in-person worship posted each Sunday by 10:30 am. The great thing about online worship is that it allows us to worship any day of the week from any location with high speed internet connectivity.

Also, September is a great time to invite someone to worship with you at St. Luke's. Online worship makes it easier than ever for someone to try us out. It also gives your family and friends in other physical locations a way to worship with you every week. Invite someone you know to St. Luke's this month!

I want to thank the people of St. Luke's for warmly welcoming my family and me. These first two months have been a good beginning in ministry together. You have opened your hearts to us and I'm grateful for this appointment. Thank you, St. Luke's!

Blessings,

Dr. Mike

Festival of Sharing: Collection Opportunity

by Sandy Newman

What can we do year round to help out with Festival of Sharing?
Just save the UPC Labels off of the **"Best Choice" brand items** that you purchase. It is an easy collection opportunity! There are a variety of products sold in the BEST CHOICE brand at Wal-Mart and Target. After you use the product just cut off the UPC label and bring to church to put in the Collection jar marked for that purpose. For every 1,000 labels turned in the Festival is able to collect \$33.00 to be used for hunger related projects in Missouri! We will collect these labels all year long!

The problem (and power) of money

by Pamela Jones

[Jesus told the rich man] “You lack one thing; go, sell what you own, and give the money to the poor, and you will have treasure in heaven; then come, follow me.” When he heard this, he was shocked and went away grieving, for he had many possessions. ... [Jesus taught the disciples,] “It is easier for a camel to go through the eye of a needle than for someone who is rich to enter the kingdom of God.” –Mark 10:21b-22, 25

At a Bible study, a man of means asked, “Why does Jesus hate money so much?” His family saw their money as a good thing, and he earnestly wanted to understand why Jesus seems to speak negatively of wealth again and again.

In fact, Jesus talks about money more than nearly anything else. Interestingly, for all his talk about money, he never asks for it. And he never condemns it. Instead, Jesus warns us about the corrupting influence of money.

Wealth poses spiritual risks. Jesus teaches that money has the power to turn us inward – away from loving God with all our heart and loving our neighbor as ourselves. It confuses our values and direction.

All of us want full lives brimming with security, relationship, joy, peace and love – but money can ensure us none of those things. They are the fruits of loving God with ALL our strength and of loving our neighbor as ourselves. Wealth can get in the way.

That was the issue with the rich man in Mark 10:17-27. Deeply religious, he nonetheless worries about eternal life. The “one thing” he lacks, Jesus tells him, can be satisfied by selling what he has and giving to the poor. Generous giving would break the bond that money has over him and help re-center him on loving God and loving neighbor.

Generosity is the spiritual prescription Jesus gives the rich man, and it’s the one for us, too.

The primary goal of our church’s financial stewardship should not be to fund the church, but rather to break the chains that money may have on our hearts and souls. But giving generously we can help the church, our neighbor *and* ourselves. We can learn what it is to be free to love God with all our heart and our neighbor as ourselves.

UMM SPOTLIGHT by John Newman

Help One Another

“So let us do what makes peace and helps one another.” – Romans 14:19

“Our daily goal should be to constantly help each other. We should help each other for the sake of godliness and not for what we can gain. Just try to imagine what kind of families we could have, what kind of businesses, what kind of churches, if we would all just follow this one bit of godly instruction.” – Jimmy Houston / Catch of the Day

Our July Saturday Breakfast meeting on July 8 at 9:00 AM was well attended with 12 men in attendance. Our Speaker, Mark Trout, talked about Jefferson Barracks History of saving buildings on the parks grounds and buildings. He also gave us some details on the past history of our Chapel when it was on the barracks grounds.

The UMM **SMOKED PORK Sales** were light again with only 9 units purchased and 1 case of 10 to cook. We donated 1 smoked pork unit to our new pastor Mike Gillen as a welcome gift. We will be evaluating the future of this as a fund raiser at a future meeting.

The UMM sponsored **Father’s Day Tribute** collected \$180.00 for the Fathers and Families Support Center, we all of those that helped in the event.

Sunday July 30th St. Luke’s UMM organized Family Day at the Grizzlies Baseball game and we had a total of 27 tickets sold. We got informed the day before that the Saturday game was postponed due to storms and that our tickets would be good for both the makeup game and the scheduled game on Sunday. The first game the Grizzlies won 3-0 and they lost the 2nd game 10-6. The trip to the Grizzlies Park was fun and enjoyable.

Monthly Mission—September 2023

THANK YOU for the wonderful response to our collection of items for making the **Missouri Youth Personal Care Packs** for the Festival of Sharing. We have not sorted everything that has been donated yet, but there were many items received from the Vacation Bible School collection and from our congregation. Please continue to bring in any items you have and place in the box in the Welcome Center. The value of each kit is estimated at \$35.00. We will assemble these sometime in September, and I will be able to give a final figure at that time. They will be delivered to the Festival of Sharing drop off site on October 7, 2023. The kits will be appreciated by youth in our area and throughout Missouri.

Report on MODOT 231 Meeting

On July 27, 2023

At Hancock Place School District Offices

By John Newman

Missouri Department of Transportation held a Third Public meeting for planned modifications to Missouri Route 231 from Broadway at River Des Peres to Kingston then Telegraph ending at the side street Franru. This meeting was for the public to be made aware of the results of the previous meeting at Café Telegraph and to give their thoughts on various designs for the improvements that would be related to the project. Shaun Tooley, with MODOT, was one of the individuals in charge of the meeting. I attended as a representative for St. Luke's United Methodist Church, also in attendance were several representatives from businesses along the route as well as people living along the route.

As part of this meeting MODOT handed out questionnaires for the attendees to give their thoughts on the various proposals being presented.

Channel 2 News was at the meeting and did a report on the proposed work and to interview the MODOT spokesman and some of those attending. I was seen in some of the background shots and was also interviewed.

Anyone can go on the MODOT website (www.modot.org or www.savemolives.com) or email Shaun Tooley at (Shaun.Tooley@modot.mo.gov) and leave comments for them to review in their determination of what will be part of this project.

The next meeting will be publicly announced in the near future.

Need Prayer?
We are here for you.

“God is eagerly waiting for the chance to *answer* your prayers and fulfill your dreams, just as He always has. But He can't if you don't *pray*, and He can't if you don't *dream*. In short, He can't if you don't *believe*.”
~Jeffrey R. Holland~

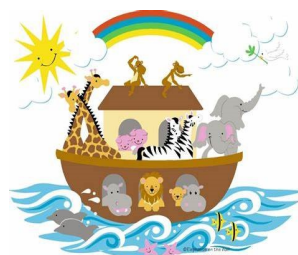

If you are in need of prayer, our Prayer Room is open.

You may use it to pray privately or there will be someone available to pray with you.

FORDER NEWS

Thank you to all that help support 2023-24 Forder School backpack drive. It was very successful as was the BBQ. Thanks to all the volunteers who helped cook the “dogs”, serve the “dogs”, paint little faces, and gave out books and candy.

It's always a fun time and you all are appreciated. - Jane

Noah's Ark Kids

Our Noah's Ark Kids Sunday School Class has collected \$50.00 for Heifer Project so far this year and, due to a matching gift program, were able to purchase a Water Buffalo!

The children all have differing opinions on what they would like to save their offering for Next. They have looked at honey bees, goats, cows and even another water buffalo. These animals range from about \$20.00 to as much as \$250.00.

We are very proud of our kids for taking on this mission. It's a wonderful learning opportunity for them and allows them to help families in need. Their gift to Heifer will also provide training for the recipients on how to care for the animals and their uses.

BE A

I would like to thank everyone that provided special music over the summer months while the choirs were in recess and even while I was on vacation! I also would like to thank Bruce Walker, our Worship Leader, for filling in for me while I have been gone. With the choirs starting up rehearsals, we will once again be able to enjoy the beautiful and inspiring music that they provide. If you are thinking about joining any of the music groups here at St. Luke's (Chancel Choir, Bell Choir, or Praise Team), please see me after the service! I hope you had a great summer!

Healthy Ministries

It's up to us to find a way to bring the church to those that are unable to be with us in person. Several of our friends are homebound or in assisted living or nursing homes. Don't forget about those you haven't seen in church for awhile. It is so important that we reach out to these folks via

phone calls or cards/letters to let them know they are in the thoughts and prayers of their St. Luke's family.

There are no September birthdays among our homebound friends.

If you need their contact information, you can call or stop by the church office.

And, don't forget to keep our entire St. Luke's family, in your hearts by including them in your daily prayers.

If you are contacting any of our members that are unable to attend services in person, please let the office know that you have talked with them and how they are doing.

St. Luke's Homebound Ministry

New Small Group Opportunity

Let's talk about it... if you're looking for meaningful discussions on inclusiveness, social justice and current events through the lens of our church; you've come to the right place! **STP (Stirring The Pot)** Fellowship will begin meeting On September 10th in the Gospel Café during the Sunday school hour.

VOLUNTEERS NEEDED!

If you are looking for a volunteer opportunity, we are in need of a few people that would be willing to serve as communion stewards. If you are interested in volunteering or need more information, please contact Shari Scott at the church office. She will also have a sign up sheet available in the welcome center.
