A Letter from the Pastor

Let me start by wishing you a Happy New Year! I'm excited about the plans God has for St. Luke's in 2024. I believe God is leading us forward in a new chapter of ministry that will connect new people to this church and guide us out into the world to minister as Christ's hands and feet.

I've been blessed in the first six months as your appointed pastor. You've welcomed my family and I into your lives. I'm grateful to be your pastor. I want to make sure as we begin this new year together that you know some basics about my schedule.

My workdays are Sunday through Thursday, Fridays and Saturdays are off days. I am happy to meet with you in the office or for coffee/lunch during my office hours Monday through Thursday. While I do accept walk-ins, I encourage you to schedule an appointment to ensure I'm available, since there are times when I may be out on an appointment, in a meeting, or working remotely.

That brings me to my next topic. If you'd like me to visit you or a loved one, please contact me.

You can make appointments by calling the church office or my church cell phone, texting my church cell phone, or emailing me.

Finally, my wife, Pam, and I have enjoyed living in the parsonage as our primary home. It makes my job convenient, and we appreciate how great the church has been about respecting our privacy.

Again, I'm grateful to be blessed to be the pastor of St. Luke's United Methodist Church. I can't wait to find out what God has in store for us in 2024.

Happy New Year,

Mike Gillen

Organizational meeting, **JANUARY 10**, 6:30 PM, in the parlor. Please plan to attend to learn about any changes from last year and offer suggestions for making the operation run smoother. We will discuss the jobs that are needed during the week as well on Friday nights. Volunteer Sign-up sheets will be available after the meeting. If you worked in the past, please let us know if you will be helping this year. This meeting is being organized by Tammy Caldwell and Karen Anderson, but we need several persons to take the lead for each area. COMMUNION STEWARDS NEEDED! *by Shari Scott*

Thank you to those who have stepped forward to serve as communion stewards. We still need a few more people to add to our list. So, If you are looking for a volunteer opportunity, please consider being a communion steward. We need two people each month to assist Dr. Mike with serving communion on the First Sunday of the month. Ideally, if we have 12 volunteers, you would help with communion two times per year. If you are interested in volunteering or need more information, please contact Shari Scott at the church office. She will also have a sign up sheet available in the welcome center.

Healthy Ministries

It's hard to believe that we are beginning a new year. We are praying that 2024 brings Comfort, Health, and Belief. May your New Year be filled with Love, Hope, Joy and Peace.

We hope to resume in-person visits with our homebound, nursing home, and hospitalized members. These folks (who are primarily older adults and their caregivers) often feel forgotten or ignored.

With everything going on in our community, country, and the world, it's up to us to find a way to bring the church to those that are unable to be with us in person. As we start this new year, please reach out and connect with them by phone, cards or letters so they will know you are thinking of them and praying for them. Even though many are worshipping with us online, that personal touch by one of their church family calling them or sending a card or letter adds that little extra reminder that they haven't been forgotten.

There are two birthdays among our homebound friends in January and February. Big Happy Birthday wishes go out to David Kaufmann on January 28th and Betty Cullen on February 10th. Please reach out to David and Betty by phone or send them a birthday card on their special day.

An updated list of the names, addresses, phone numbers and birthdates of all of our homebound friends is available by stopping by or calling the church office. Please use the list to keep in contact with them. And, don't forget to keep our entire St. Luke's family, in your hearts by including them in your daily prayers.

2024: Your year for abundant living *by Pam Jones*

Many Christians think of “stewardship” only in financial terms, but money is only one of the gifts God entrusts us with – and it’s usually the one we value less than our gifts of time, relationships, faith and health.

Make 2024 your year for holistic stewardship - and abundant living – by taking steps to care better for ALL the gifts God entrusts to us, including our finances. Here are tips.

Health: Get a physical and ask your doctor to help you to form a strategy for better living. For most of us, the plan would include eating better, exercising more and practicing wellness.

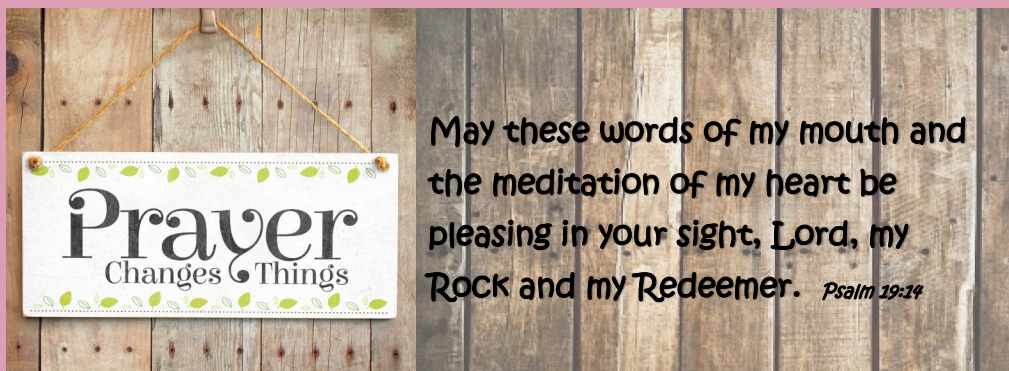

Relationships: We not only share love and joy with family and friends, but also turn to and rely on them in times of trouble. Care for your relationships with honest and frequent communication, get-togethers and sharing. Renew and repair relationships that need it.

Time: Are you just mindlessly counting the hours and days? Take charge of your time by planning events and activities that enrich your life. Plan for health and relationships.

Faith: No matter where you are on your discipleship journey, all of us can draw closer to God and open ourselves more fully to the Holy Spirit. For 2024, commit to regular worship, prayer, Scripture reading, devotions, service and other faith practices.

Money: Get your finances in order. Consider the 10-10-80 plan, budgeting your income to save 10 percent, give away 10 percent, and living on 80 percent.

God has given us so much. Stewarding the most important aspects of our lives can bring us into the life of abundance that Jesus promises us.

Our Prayer Room is always open.

You may use it to pray privately or there will be someone available to pray with you.

Prayer is not asking. Prayer is putting oneself in the hands of God, at His disposition, and listening to His voice in the depth of our hearts.

~ Mother Teresa

Report on MODOT 231 Meeting

On November 27, 2023

At Hancock Place School District Offices

By John Newman

Missouri Department of Transportation held a Fourth Public meeting for the planned modifications to Missouri Route 231 from Broadway at River Des Peres to Kingston then Telegraph ending at the side street Franru. This meeting was for the public to be made aware of the results of the previous meetings and to give their thoughts on the various final designs for the improvements that would be related to the project. Shaun Tooley, with MODOT, was one of the individuals in charge of the meeting. I attended as a representative for St. Luke's United Methodist Church, also in attendance were several representatives from businesses along the route as well as people living along the route.

As part of this meeting MODOT had several representatives to answer any questions from the public attendees on the various proposals being presented

Anyone can go on the MODOT website (www.modot.org or www.savemolives.com) or email Shaun Tooley at (Shaun.Tooley@modot.mo.gov) and leave comments for them to review in their determination of what will be part of this project.
